

Beacon Credit Union Wins Datatrac Great Rate Award

FOR IMMEDIATE RELEASE

Wabash, Indiana, July 30, 2008

Beacon Credit Union's 6 month certificate of deposit is awarded a 2008 Datatrac Great Rate Award for outperforming the Indiana Market interest rate average by over 32% for the 12 month period ending March 31, 2008.

"Compared to over 230 other financial institutions in the State of Indiana, Beacon Credit Union's 6 month CD beat the market average 100% of the time" says Ken Wanek, President and CEO of Datatrac, a Milwaukee based company that has been monitoring bank and credit union rates for over 20 years. Datatrac Great Rate Awards assure consumers that the rate offered by their financial institution consistently outperforms the market average, eliminating the cumbersome task of rate shopping. "When you see a Great Rate Award, you know you're getting a good deal" says Wanek.

"We are thrilled to receive this Award," said <NAME>, <TITLE> of Beacon Credit Union. "We continue to strive to be a financial services leader in the state of Indiana. In a changing financial environment, the Datatrac Great Rate Award assures members that Beacon Credit Union is Guiding the Way to your financial success with consistent Great Rates. One of the key drivers to our success is the confidence that our members entrust with us."

About Great Rate Awards

Datatrac Great Rate Awards certify that the rate offered by an institution's product consistently outperformed the specified market average of all financial institution monitored by Datatrac during an annual or quarterly period.
